SHIPPING DEPRESSION.

LAST YEAR'S BLACK RECORD.

"WORST WITHIN MEMORY."

LONDON, February 27.

The report of the Chamber of Shipping of the United Kingdom says that the shipping industry last year was the worst within memory. The Chamber's index number of freights was 46 in January and 29 in December compared with 100 the preceding year.

Improvements in the situation must await the recovery of the trade and commerce of the world. The extent to which British shipping will profit thereby will depend largely on the extent of working costs that have been modified in relation to competitive freights.

Twelve per cent. of British tonnage is at present idle.

SHIP CANAL HIT.

LONDON, February 27.

One result of the depression in shipping and trade generally has been that the quantity of merchandise carried through the Manchester ship canal last year was the lowest for the last twenty years. The receipts dropped over £250,000 and the traffic by nearly a million tons.

RAND STRIKE FIGHT.

POLICE BATON CHARGES.

MANY INJURED ON BOTH SIDES.

JOHANNESBURG, February 27.

The strike situation aggravated along the reef over the week-end culminated in a fierce encounter early this morning between police and strike commandoes. The former made baton charges. Fierce hand to hand fighting ensued. Both parties were reinforced and the fight ended in many injured on both sides. There have also been a number of assaults on willing workers.

A sufficient quantity of dynamite was found near the Witbank power station to wreck the town.

Johannesburg is in danger of being rendered lightless and tramless in consequence of the men's federation objecting to the municipality using alleged "Scab" coal. Withdrawal of the workers is threatened.

GERMAN WAR CRIMINALS.

TWO ESCAPE TO SWEDEN.

BERLIN, February 27.

Boldt and Dittmar, two German war criminals, have escaped to Sweden from Swinemuepde.

COMMONS QUESTION.

LONDON, February 27.

In the House of Commons, questioned with regard to the escape of Boldt and Dittmar, the Attorney-General stated that the Government had strongly protested to Germany who had given assurances that they had taken every step possible to secure the re-arrest of the fugitives but had hitherto received no information that they had been re-arrested.

FAMOUS ART HOUSE.

HAGUE CITY'S CHANCE.

AMSTERDAM, February 27.

Dr. Bredius, well-known Rembrandt expert, who is going to live at Monte Carlo, has offered to sell his house on the Hague to the City for 100,000 guilders. He has presented to the city Jan Steen's picture of the artist with a peasant and wishes to leave there on loan, part of his famous collection which is in the house.

WESTERN CHINA DIOCESE.

ASSISTANT-BISHOP APPOINTED.

LONDON, February 27.

The Archbishop of Canterbury has appointed the Rev. Howard West Mowll, of Wyoliffe College, Toronto, assistant bishop under Bishop Cassels in the diocese of Western China.

CONSPIRACY CHARGE.

SHIPBUILDER AND SONS ARRESTED.

WASHINGTON, February 27.

The Federal grand jury has indicted Charles Morse, well-known shipbuilder, and three sons, on a charge of conspiracy for misappropriation of government funds.

SHIP SUBSIDY PLAN.

AMERICA'S LATEST SCHEME.

President Harding is expected to recommend to Congress to authorize a ship subsidy plan providing for raising a so-called revolving fund of about \$30,000,000 a year through division of a percentage of the customs receipts. The advantage of the plan is that it will probably meet with greater favor than the plan proposed by the last administration and which was rejected by Congress.

TO-DAY'S ROYAL WEDDING.

SIGHTSEERS THROUGH LONDON.

HOPES OF FINE WEATHER.

LONDON, February 27.

The bright sunshine to day has revived the hopes which heavy rain yesterday quenched that Princess Mary's wedding will be favoured by weather conditions favourable to the enormous throng of sightseers already in London. Thousands of sightseers have arrived from all over the world and hundreds from the United States alone, while many have also come from France. Great numbers arrived during the week-end from the provinces. They are spending Sunday and to-day viewing the Abbey precincts and the procession route. The numerous stands erected are insufficient to meet the demand.

Princess Mary was still busy on Saturday receiving deputations and presents at Buckingham Palace. The King and Queen held the last of three wedding receptions at St. James' Palace to day. Everywhere their appearance was greeted with remarkable demonstrations of loyalty and affection.

A number of seats have been allotted at the Abbey by the Colonial Office to dominions and colonial representatives.

EARL OF HAREWOOD HONOURED.

LONDON, February 27.

The King has invested the Earl of Harewood with the grand cross of the Victorian Order.

CHINESE PRESENT.

LONDON, February 27.

The Chinese present mentioned earlier was from the President not the Chinese people. It was to night handed to Princess Mary who greatly admired it. The present consisted of a numerous collection of objects of jade and ivory and a pair of huge lacquer vases made at Foochow 1770 by order of the Emperor Kien Lung.

PRINCE'S TOUR.

SHOOTING INCIDENT.

LONDON, February 27.

Report of the alleged shooting at the Prince of Wales' party has not been confirmed. It was apparently not a serious incident. On February 21 while the Prince's cars were being taken from Delhi to Partiala the police received information that two shots had been fired at the car in which were an equestrian and two ladies, but investigation rejected the theory that the assailants used firearms; as marks on the car indicated that stones may have been thrown.

TORPEDOES 'TUBANTIA'.

INQUIRY COURT'S FINDING.

THE HAGUE, February 27.

The international commission of inquiry into the loss of the Dutch steamer "Tubantia" during the war has found that the vessel was sunk as the result of an explosion from a torpedo fired by a German submarine. The question whether the torpedo was fired wilfully or mistakenly was not decided.

GENOA CONFERENCE.

LITTLE ENTENTE COMBINE.

ECONOMIC EXPERTS BUSY.

LONDON, February 27.

Plans by M. Benes, Premier of Czechoslovakia, to create a great Central and East European federation in which Austria's accession to the Little Entente was a step, has made further progress as a result of a conference at Bucharest, which Poland has agreed to join Yugoslavia, Rumania, and Czechoslovakia in making a single unit at the Genoa conference. The economic experts of the four countries whose combined populations are 70,000,000 will confer at Belgrade on March 6 in preparation for Genoa. It is possible that Greece may also be represented at Belgrade.

RUBBER DIRECTOR'S SUICIDE.

DEPRESSED AT STUMP.

LONDON, February 27.

At the request of Mr. George Groll, director of Harrison and Crossfield, and 20 associated rubber companies, who was killed by falling under a train, the audience showed that he was suffering from neurasthenia as the result of overwork. He was worried by the depressed state of the rubber industry, though his financial position was very sound. A verdict of suicide was returned.

It has become necessary that there should be some plain speaking about football here. The *Chicago Record* and age took the lead in championing the growth of public interest in the game, and in urging the Government to take of the available funds for a national football. The spirit of the majority should have its proper expression. We may not have to take the attitude but at the same time we must know how to behave himself. It is generally understood that one club of the I.C.F.C. always proposes who shall referee its matches and that is dangerous as regarded as contamination in one way and another. We consider the vociferous and noisy spectators. See the spectators—

COMMUNIST MANIFESTO.

NOTICE BY THE CANTON BRANCH OF THE COMMUNIST ASSOCIATION.

The following is a translation of a manifesto issued by the Canton branch of the Communist Association:—
To the seamen on strike.
We have struck for our existence.
All right-thinking and peaceful people—all who are not capitalists or members of the official oligarchy that backs them—sympathise with us.
We have come to a sense of our human value, and refuse to allow our labour to be sold like merchandise.
We demand for everyone a life with a meaning and an interest and will not be exploited by a minority, like slaves or cattle.
Therefore, we have declared war on the capitalists and have started a class warfare.
This tremendous and heroic action of ours has brought us honour, and will end in our victory.
Capital, under the present system of production, has fattened securely on the blood of the toiling masses till it has become bloated and inert, like a mosquito gorged with human blood.
Therefore, it has fenced itself round with the rampart of class distinction. But insensibly it has been digging its own grave. Throughout the world labour is arising and recovering its rights. Nevermore will be trampled to death by capital.
We seamen cannot fail in our just demands, but we must not grow careless. The tools of capital are many; its spies are everywhere; its false propaganda is skillfully pushed to lead us astray. The following four points must, therefore, be carefully borne in mind:—
1. Hold out to the end.
Our latest conditions put to the shipowners represent the minimum compatible with modern society's requirements for the existence of the individual. We must on no account yield an inch to pressure or inducement.
2. Union is strength.
Foreigners are apt to sneer at the spasmodic nature of Chinese effort, and at our inability to unite. The proverb says, "Many hands make light work." Labour's strong point, that which will give it the victory in its warfare with capital, lies in its superiority in numbers. But if you do not act as one body, capital will not find it difficult to break you.
3. Strict preservation of order.
Our grievance lies against our enemies, the capitalists. We must be careful not to offend those who are helping us. Our words and actions must be kept within due limits. We must scrupulously abide by enlightened methods in soliciting the help of our friends against our enemies.
4. The importance of self-control.
There are several thousands of us in Canton, and we are deeply grateful for the help and kindness shown to us by sympathisers.
But we must remember that the enemy's spies are skilled in misrepresentation. Masquerading as seamen, they deliberately do all sorts of discreditable things with the object of weakening our cohesion.
It behoves us, therefore, to take the utmost care in our most trivial actions otherwise we may give cause to sneer at the lowliness of our standard. We must constantly reflect whether anything in our conduct may give rise to unfavourable comment.
Beloved seamen and sympathisers, we know that capital is drawing its last breath. But we must also remember the convulsive flare of an expiring lantern, and redouble our efforts, and be on our guard against some great blow of such a convulsive nature.
Our Association regards the seamen as the first line flung forward in the war of classes that has begun, and it is our duty to reinforce you with all our might.
Rally! Rally! and fight with your eye on our banner, and we shall look forward to a glorious victory.

WASHINGTON CONFERENCE.

TARIFF TREATIES APPROVED.

WASHINGTON, February 27.

The foreign relations committee has favourably reported on the general, Far Eastern, and Chinese tariff treaties; thus completing consideration of the Conference agreements.

RUBBER INDUSTRY.

UNION IS STRENGTH.

LONDON, February 27.

On the ground that the best interests of the industry will be best served by united action, the Rubber Shareholders' Association has abandoned an independent scheme for separate propaganda and has decided to support the work of the Rubber Growers' Association.

WOMAN'S SUFFRAGE.

CONSTITUTIONAL IN AMERICA.

WASHINGTON, February 27.

The Supreme Court declared in favour of the constitutionality of the woman's suffrage amendment to the constitution giving women suffrage on the same terms as men. The amendment was adopted in 1919 but its constitutionality was subsequently disputed.

MERCHANT MARINE RULING.

The Supreme Court has decided that the United States merchant marine law prohibits Canadian Railways and steamers from transporting merchandise between Alaska, the United States and Continental ports.

INTERNATIONAL CORPORATION.

SCHEME OUTLINED.

LEGISLATIVE AUTHORITY URGED.

LONDON, February 27.

The organising committee of the international corporation is reported to be in favour of the establishment of a national corporation in each affiliated country with an aggregate capital of £20,000,000 to which Britain, France, Germany, Italy and Belgium will subscribe equally, but other countries including Japan and America will be invited to subscribe if they desired. The foregoing negotiations will be linked up with the international corporation with a capital of £2,000,000 sitting in London on which all the associations will be represented.
The committee urges the governments interested to obtain legislative authority to give the necessary guarantees to their respective associations to enable commencement of operations immediately and declines to deal with countries not recognising past debts and other international obligations.

THE CARE OF THE BABY

Is every good mother's first consideration, and often enough she is so worried by the little one's needs and ailments that she does not know which way to turn to find for it relief.
To every mother Baby's Own Tablets, the Canadian children's remedy, are a real friend. They gently regulate the bowels and stomach, break up colds and simple fevers, expel worms, cure vomiting and indigestion, and make teething easy. They promote calm natural sleep, good appetite and regular development, and are equally helpful to infants and children of all ages.

COFFEE.

In our endeavour to bring our coffee as near to perfection as possible, we have lately added to our machinery a special cooling fan.

This fan, by drawing coal air through the coffee immediately after roasting, has the virtue of sealing the pores of the berry and so retaining the essential oils which are the source of the delightful flavour and aroma.

We specially recommend our blend of Mocha, South American and Nairobi berries at 85 cts. per 1 lb. tin, whilst our Rare Old Mocha at \$1 00 per lb is famous throughout South China.

LAND SALES.

HIGH BIDDING.

At the offices of the P.W.D. yesterday afternoon, Mr. L. C. Parker Rees, Principal Land Surveyor, offered for sale by public auction a lot of Crown Land at Pokfulam Road (Inland Lot No. 2378) for a term of 75 years with the option of renewal at a Crown Rent to be fixed by H.M.'s Surveyor, for a further term of 75 years. There was a large crowd of prospective purchasers of the property which contained about 90,926 sq. ft., and carried an annual rent of \$418. The upset price was \$11,083, and bidding was brisk with bids of \$20 and an occasional bid of \$100 thrown in by the more eager bidders. The property was eventually knocked down to Mr. W. L. Weaver and Mr. Li Man chik, who bid for a Chinese syndicate, for \$18,040.

Another lot in Coronation Road (Kowloon Inland Lot No. 1462) north of Kowloon Inland Lot No. 756, Coronation Road and opposite Oriental Buildings, containing about 19,600 sq. ft., and carrying an annual rent of \$270, was next offered for a term of 75 years with the option of renewal at a Crown Rent to be fixed by H.M.'s Surveyor for a further term of 75 years. The upset price was

The following resolution of condolence was passed at the General Meeting of the Khalsa Diwan, at the Sikh Temple, on Saturday:—

"That the local Sikh Community feels a great loss in the untimely and sudden death of late Sir Ellis Kadoorie whose generosity and kindly temperament has placed the entire Indian Community under lasting obligations in providing the Community with a magnificent building for school (the Ellis Kadoorie School,) and his lively interest in the well-fare of the deserving side of the Community. The Khalsa Diwan realise that in his sad demise the Jewish Community has suffered an irreparable loss, and most respectfully beg to tender their deepest regret and sympathy with the relatives of the late Sir Ellis Kadoorie in particular and the entire Jewish Community in general."

\$29,400, but the bidding which was very keen started at \$32,000 and was increased by bids of \$1,000 to \$36,000. The principal competitors were Mr. Henry Humphreys, Mr. J. Caer Clark and a couple of Chinese. The price was next taken to \$38,000 by bids of \$100, and then followed bids of \$50, with an occasional \$1,000 offer from Mr. Clark, but the Chinese bidders remained cautious with bids of \$50. The price rose slowly but steadily to \$59,000, when the property was sold to Mr. J. Caer Clark and Mr. Li Tse-fong.
